

Cestita

Miguel Milá, 1962

Table lamp

This is the smaller version of the Cesta. Both created over half a century ago, Cestita can house an opal-shaped globe and a white plastic one (that is more child resistant). Accordingly, it is offered at a sensibly more affordable price and maintains its firm structural simplicity, ideal for nomadic or child-centred settings.

GENERAL DESCRIPTION

Sumatran pine wood structure.

White opal glass or white opal polyethylene lampshade.

Electric cable length: 1,40 m / 55.1"

LIGHT SOURCE

Fuentes de luz recomendadas:

LED bulb: 6 W (CE market 7W)
