

A large family of seats for uses both at home and in the office, hotel, restaurant, club, waiting rooms. The strongly profited bucket shape providing high seating comfort, its elegant form and carefully prepared details are features, which make the furniture stand out in the market.

The characteristic bucket shape is repeatable in armchairs, chairs and hackers which are made of the molded polyurethane foams forms. The collection is complemented with small tables with tops of varnished or naturally veneered MDF, set on supports matching the seats.
